REVISED PRESS RELEASE

Bridge Bypass Road (Water Street) In Chester, Randolph County, Illinois

Collinsville, Illinois – The Illinois Department of Transportation announces the Bridge Bypass Road (Water Street) in Chester, Illinois, will be closed at the railroad crossing with Mill Street, just east of ConAgra Mills late this evening. The road closure is required to allow Union Pacific to rehabilitate their crossing. This work is expected to be completed by September 29, 2015.

A marked detour will be in place to safely guide motorists around the closure. The Department asks that motorists look for ROAD CLOSED AHEAD signs, reduce speed, watch for slow moving or stopped traffic, and use additional caution when travelling the marked detour.

Should you have any questions concerning this project, please contact RuAnna Stumpf, Permits Unit Chief, for the Illinois Department of Transportation, at 618-346-3280.
